

Zoe's Club

Zoe's Club is a youth savings account at **Ozark Federal Credit Union** that rewards your child for their hard work during the school year. We feel it is important to teach financial responsibility while they are young.

Your child can earn up to \$20 each year for being on the honor roll during the 1st through 12 grade. Just bring in a copy of their report card, school certificate, or the newspaper article showing your child has qualified for honor roll each quarter and we will put \$5 in their **Zoe's Club** youth savings account.

Please speak to a Member Service Representative about setting up a **Zoe's Club** youth savings account today.

Zoe's Club
Saving Money With Style

We have a lot to offer at Ozark Federal Credit Union. We are a not for profit Co-op, serving our members financial needs.

OFCU Mission Statement is:

- To provide affordable financial services to our members and their families in Southeast Missouri
- To promote community development in our low-to-moderate income area
- To encourage thrift, savings and the wise use of credit for the individuals and small businesses in the targeted areas
